Emmaus Catholic College considers all discrimination, racism, harassment and bullying to be unacceptable behaviour because it undermines the intrinsic dignity of the individual person. In addition, discrimination, racism, harassment and bullying diminish the work performance of individuals and the effectiveness of the College in our mission of Catholic education.

Emmaus Catholic College in collaboration with the CEO will uphold discrimination and harassment laws and will set in place procedures to address all forms of discrimination, racism, harassment and bullying.

- It is the responsibility of the Principal to ensure that instances of such conduct are dealt with promptly, fairly and seriously.
- It is the responsibility of all staff and students to respect the rights of others, to never encourage discrimination, harassment or bullying and to contribute positively to the formation of harmonious work and College relationships.

Therefore all staff will:
- actively promote a College climate and work environment that is open to and welcomes all persons;
- treat with respect and courtesy all persons in the community including students, colleagues, administrators, support staff, and parents;
- work to prevent bullying from occurring through the implementation of policies, educational programs and courses, awareness-raising strategies, and training programs;

Staff at Emmaus Catholic College will be trained biannually in the area of ‘Right Relations’ as per Diocesan guidelines, this training will include:
